In 400-1000 words, please describe one instructional initiative that you undertook that was intended to improve student achievement. Select an initiative where you were responsible for the results and had a significant leadership role. The endeavor could range in scope from a school-wide program or initiative that you implemented in your classroom.

Specifically, address:

- The purpose and scale of the initiative
- The steps you took to start and implement the initiative
- The end results of the initiative
- What you would have done differently, if anything

Second of two questions:

In 400-1000 words, please describe what has inspired you to want to become an assistant principal. Please include relevant information on your experience, skills, and vision for student achievement and how this qualifies you to be an excellent school leader.
