DISTRICT 75

NYCPS's District 75 provides specialized instructional support for students with significant challenges, such as Autism Spectrum Disorder (ASD), significant cognitive delays, emotional disability, sensory impairment, and multiple disabilities. District 75 serves students through a number of different program models.

- Most District 75 students attend Special Class programs, which operate as distinct schools and may be located in standalone sites or co-located with district schools.
- A smaller number of students attend Inclusion Programs, in which students receive District 75 services within general education classes at a district school partner.
