Federal Parent/Guardian Student Ethnic and Race Identification (PSE Form)

Dear Parent/Guardian:

This form is intended to address federal laws regarding the ethnic identity and race of students. **The information you provide is confidential.** Your child will not be discriminated against based upon the information provided.

Please respond to the ethnicity and race identification questions. The first question gives you a chance to share if your child is of Hispanic, Latino, or Spanish origin. The second question gives you a chance to share your child's race or races. The federal government provides the options that you will choose from. Please respond to all questions.

We understand the sensitive nature of this process. The options may not represent a perfect or complete portrayal of your family's own ethnic or race identification. We encourage you to select the options using your best judgment. If you choose not to answer, federal guidelines require New York City Department of Education school staff to respond on your behalf.

Thank you for your cooperation.
