

This is a list of online curriculum and resources to support homeschooling families. The information provided is intended to be used for informational purposes only; please read all terms and conditions before signing up. Reference in this list to any specific commercial product, process, or service, or the use of any trade, firm or corporation name is for the information and convenience of the public, and does not constitute endorsement, recommendation, or favoring by the New York City Public Schools Office of Enrollment Home Schooling Team.

Please note that accredited programs and diplomas from online-only schools are not recognized by New York State, but online and accredited programs can be part of your homeschooling plan (IHIP). Even if an online program uses words like "accredited" or "certified," your student will not receive a New York State diploma.
