When a student requires medication during the school day and is unable to self-administer, medication is generally administered by the school nurse; the Medication Administration Form must be submitted to the school nurse. Requests for 1:1 nursing, paraprofessional support, and transportation will be reviewed on a case-by-case basis by an Office of School Health (OSH) Practitioner to confirm that services are medically needed. Decisions about whether a student requires a particular accommodation are made by the 504 Team or IEP team, which includes the parent. Additional forms must be completed; please check with your 504 Coordinator or IEP team. The New York City Department of Education (DOE) will review Assistive Technology requests and may facilitate an evaluation to determine the student's needs.

## Part 2: PARENT CONSENT – Parent/Guardian must complete before submitting to your school's 504 Coordinator or IEP team

Your child may qualify for accommodations under Section 504 of The Rehabilitation Act of 1973. Your school's 504 team and/or IEP team will meet to review your child's records, classwork, classroom observations, testing, and health care practitioner's statement. If your child qualifies for services based on that review, the team will create a 504 Plan and/or IEP with your help and consent. 504 Plans **must be reviewed before the end of each school year** or more often if necessary.

By signing this form: 1) I am giving consent to the 504 team and/or IEP team to review my child's records and decide if my child qualifies for accommodations. 2) I confirm that I have provided full and complete information to the best of my ability. 3) I understand that the OSH and the DOE are relying on the accuracy of the information on the form for their review and decisions. 4) I understand that the OSH and the DOE may obtain any other information they think is needed about my child's medical condition, medication or treatment. OSH may obtain this information from any health care practitioner, nurse, or pharmacist who has given my child health services.
