What am I required to do once I have selected a provider?

Both you and the selected independent provider must complete the **RSA-2 Form**, then sign the form and attach a copy of the provider's license and/or certificate. If the individual provider is working for an agency, the provider must include the agency information in the fields labeled: **Name of Agency (if appropriate)**, **Employee Tax ID No. (if agency)** and **Agency Address**. If the individual provider is not working for an agency but has **his or her own tax ID number**, the provider must also complete these fields. You should also keep a copy of the independent provider's license and/or certificate. Please be advised that only the independent provider listed on the **RSA-2 Form** may provide service to your child. If your child is being seen at the provider's place of business you must ensure that only the independent provider you have authorized is serving your child. The completed **RSA-2 Form** must be submitted to the office indicated on the RSA-2 Form.

After I have submitted the RSA-2 Form, when can the provider begin?

Once the RSA-2 form is received, all information will be reviewed. If the form is complete and the provider has received security clearance and submitted the appropriate licensure and registration and/or certification, your provider will receive an approval letter with an identifying PIN number for this service. Should we fail to notify you of this approval, the provider is authorized to initiate service and is assured of payment by the Department if the individual has the appropriate licensure and/or certification and no conflict of interest is found to exist. Only the independent provider listed on the **RSA-2 Form** is authorized to provide services. If there is a change in independent provider, a new **RSA-2 Form** must be submitted. The independent provider you have selected must present himself/herself for fingerprinting, with the cost to be incurred by the provider, to the Office of Related and Contractual Services, at 49-51 Chambers Street, Room 600, New York, NY 10007. Independent providers will not be authorized to initiate services until such time as security clearance is received.
