Fill in the Blank

Enter your answer in the space.

My name is .

There are stripes and stars on the American flag.

$1\frac{1}{2}$ in decimal form is:

Which of the shapes below have more than four sides?

Select the two answers that are correct.

Which of the shapes below have more than four sides?

Select the two answers that are correct.

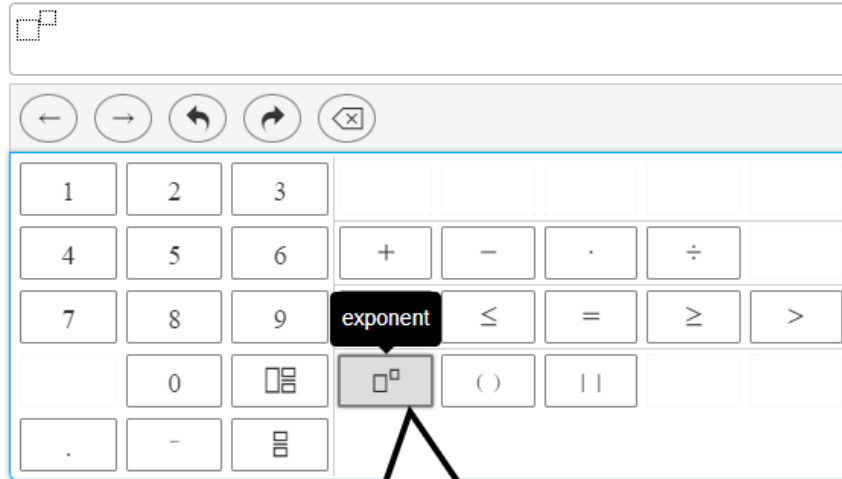

Once answers are selected, a bold box will appear around the selection.

Hot Spot

Equation Editor

Enter your equation in the space provided. Enter only your equation.

Show 25 as an exponent using the **Equation Editor**.

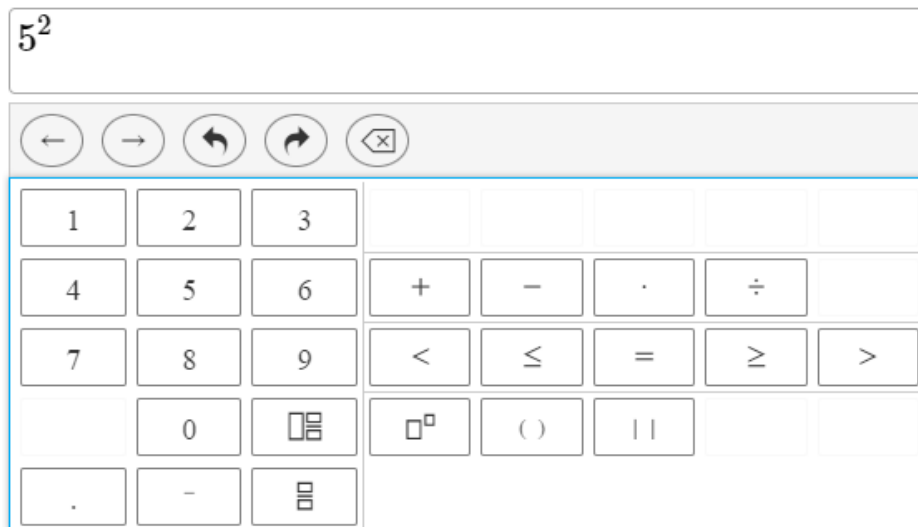

The image shows the Equation Editor interface. At the top is a text input field containing a small square icon. Below it is a toolbar with navigation and editing icons: left arrow, right arrow, undo, redo, and clear. The main keypad contains buttons for digits 0-9, a decimal point, a negative sign, and mathematical symbols: +, -, ·, ÷, <, =, >, and a square with a superscript symbol (x[□]). The 'exponent' button is highlighted with a black tooltip that says 'exponent'.

Hovering over the equation editor buttons displays the function of the button.

Enter your equation in the space provided. Enter only your equation.

Show 25 as an exponent using the **Equation Editor**.

The image shows the Equation Editor interface after the equation 5^2 has been entered. The input field now contains 5^2 . The keypad is visible below, showing the same layout as in the previous image, but with the 'exponent' button no longer highlighted.

Hot Text

Read the question below, then select your answers.

Which **two** words in these sentences are used incorrectly? Select the two words.

Alice followed the White Rabbit down the rabbit whole. She didn't know it would lead her all the weigh to Wonderland.

Read the question below, then select your answers.

Which **two** words in these sentences are used incorrectly? Select the two words.

Alice followed the White Rabbit down the rabbit whole. She didn't know it would lead her all the weigh to Wonderland.

Once answers are selected, selections will appear shaded.

Multiple Choice

Which planet is known as the Red Planet?
